Hello, Mr. Tarr:

Thank you very much for your phone call just a little while ago. As you have requested, please find attached the draft programmatic agreement that was submitted to us for comment; you will find our comment in redline embedded in the text and margins.

Also, as I mentioned, here is a link to the Citizens Guide to Section 106, which will provide helpful background information about our

office's and the Office of State Archaeology's role in the National Historic Preservation Act's consultation process.

<http://www.achp.gov/docs/citizens-guide-2015.pdf>

Finally, I have attached some recent guidance from the Advisory Council on Historic Preservation on working with state-recognized tribes in the Section 106 process.

My colleagues and I would be very glad to meet with you to brief you more generally on the Section 106 process and our offices' other services and program areas at your convenience.

Please let me know how I may provide further assistance.

With thanks and kindest regards,

Ramona Bartos

Good morning all:

Please find attached a cover letter and **draft** Programmatic Agreement (PA) for the Atlantic Coast Pipeline and Supply Header Project as part of the FERC's ongoing consultations under Section 106 of the NHPA. A hard copy of the letter and the PA is being mailed to your offices as well. We are requesting your review and comment on the draft PA. Please provide any written comments or suggested edits directly to Kevin Bowman and Ellen Armbruster no later than 30 days from today. We have provided a Microsoft Word version of the PA for ease of editing/commenting. If you choose to use the word file, please remember to use tracked changes. Additionally, there are a few blank spaces that reference regulatory citations for federal lands and we hope that the appropriate land managing agencies can identify the correct citations.

Please note that as the PA is in draft form, it should be considered privileged information and not released to the public by your agency or entity. The final version of the PA would of course, be available for public inspection. If you have any questions, please contact Ellen Armbruster, project archaeologist at (202) 502-8330 or [Ellen.Armbruster@ferc.gov](mailto:Ellen.Armbruster@ferc.gov) or myself at (202)-502-6287 or [Kevin.Bowman@ferc.gov](mailto:Kevin.Bowman@ferc.gov)
